

Materials Matter

Helping non-profits build hope and change lives

In Kind Donation Management

Never say "NO" to an important, well-meaning donor ever again!

About Our In Kind Donation Management Services

Due to lack of storage capacity, non-profit organizations turn away a constant supply of substantial in-kind donations, most of which end up in landfills. If your organization receives a donation of materials too large to use, store or distribute, call **Materials Matter**. Our Donation and Distribution Center is geared to take in all donations, from a single pallet to multiple truckloads.

We can assist with:

Qualification & Pick-Up

Consignment & Liquidation

What Are The Benefits?

- We strive to to be a model for cooperative resource development and to make donating a hassle-free experience. Our staff is courteous and professional and will always treat your donors with respect, ensuring that they will return to your organization the next time they have a charitable donation to make.
- Most importantly, your organization shares in proceeds from the sale or liquidation of the donated materials. That means unrestricted dollars for your cause, without any of the work!

Where Is Materials Matter?

Materials Matter is conveniently located off the 91 Freeway in Corona at 1655 W. 6th Street. Our facility in Corona houses both our Donation and Distribution Center and the Home Improvement Outlet. The store is open 9 a.m. to 5 p.m. 7 days a week.

To learn more about us, visit our website at www.materialsmatter.org, or call us at (951) 256-4111 x.106.
